Registered User Services

● **Business Entity List** **http://www.utah.gov/commerce/bel/**

This system allows you to build and customize a list of businesses registered in the state of Utah. Building a list of businesses is simple: Choose from a list of options that will be presented to you on the List Builder, then hit Submit. Business Entity Search will then search the Department of Corporations and Commercial Code's database to start building y our list. The List Builder adds the additional features of narrowing your search by building a list based on zip code and or SIC code.

Customized Lists

Customized business entity lists are priced by record and include a minimum $5.00 search fee. The $5.00 search fee covers the first 200 records. If your list order exceeds 200 records, each additional record is $.05. For example, if your list order contains 900 records, your list would cost approximately $40.00.

900 records:	200 = $5.00
	700 @ $.05

Total List Cost:	$40.00

Full Data Download (entire business entity database)

Should you need the Division of Corporations entire database, you may purchase a full data download for $.01 per record.

● **Business Entity Search** **http://www.utah.gov/serv/bes**

Searches for names containing words will increase processing time and the system may not return results in a timely manner if the search criteria is too broad.

When you enter a business entity name and click the search button, you will receive entity names that match your search criteria along with entity type, city and status. Select "Details" to view additional information including full address, registered number, entity creation date and registered agent contact information. There are no fees associated with viewing this information.

Registered Principals Search by Business Name

For a $1.00 fee per entity, you may view principal individuals associated with the business you choose. Just click the Principals button to get this information.

Certificate of Existence

You will have the option to print an official Certificate of Existence for any entity that is active and current under the law. Each Certificate of Existence is $12.00.

● **Registered Principals Search by Individual Name**
   http://www.utah.gov/commerce/rps/

The Registered Principals Search queries the Division of Corporation's database for businesses associated with an individual. In order to conduct a Registered Principal Search you must have the name of the registered principal.

Search Criteria and Features

- Search using at least the first 2 letters of the Registered Principal's name
- Enter an " * " (asterix) immediately after the letters/words in your search for a "wild card" search: gathering all possible all possible Registered Principal Agent Records.
- Add a " ~ " (tilde) after the letters/words in your search for Registered Principal Names that "sound" similar to the letters/words of your search.

The list returned will specify name, address, associated business entity, type of entity and position held. You may also view "Details" of the associated business entity.

You will be assessed $3.00 for each query (and list returned). There are no additional charges to view individual business entity details.

● **Motor Vehicle Title Liens & Registration** **http://www.utah.gov/tlr**

You may search the file of Utah registered motor vehicles one of two ways. First, select the type of vehicle by selecting the appropriate radio button of Motor Vehicle or Recreational Vehicle. Second, select the type of search you are completing by clicking the appropriate radio button of License Plate or 'VIN'. Then, enter

- The license plate number, OR
- The vehicle identification number (VIN).

Click the Enter button after providing the required data. The matching vehicle record will be displayed.

VIN and License Plate Searches will immediately return results when you press ENTER.

For each record retrieved, viewed and downloaded, you will be assessed a $2.00 record fee.

● **Driver Record Search** **http://www.utah.gov/serv/mvr**

In order to obtain a record match you must have either a full name and the exact date of birth or the correct license number.

If your search does not return results, ensure that you have selected the appropriate search type and try your search again.

License Number Searches will immediately return results when you press Enter.

For each record returned and viewed, you will be assessed a $7.25 fee.

● **Registered Notary Search http://www.utah.gov/rns**

This service will access the Department of Commerce, Division of Corporations and Commercial Code's Registered Notary Search database. You may search by notary name, location or commission date.
